Cambrian Public School, Kanke Road Ranchi Jharkhand

2013 - 2014

GPA-7.8

WORK EXPERIENCE

Android Application Development Intern Internshala

05/2021 - 06/2021

Achievements/Tasks

- In this online training program, I learned about Android app development. In this training program, I learned the basics of Kotlin, design using XML, develop multiple Android apps, and market them on the Google play store. I also made my project based on E-Commerce App for Electronic Components & Robotics Store. I developed this project using Java language.

Campus Ambassador program

IIT BOMBAY

08/2019 - 09/2019

Achievements/Tasks

- My role as a Campus Ambassador was to make our college and school aware of Techfest Competitions, workshops. And it's not only for them but it also helps us to improve our knowledge. Techfest organizes workshops, digital summits, and many things with great personalities even celebrities also so I got a chance to meet them virtually. We have to arrange the sessions in school under the guidance of Techfest. And we have to submit the proofs of attending the workshops, digital summits, exhibitions, organizing the sessions in school.

Content Development Intern

OD Skill Development Academy Private Limited

09/2020 - 11/2020

Achievements/Tasks

- During the period of my Internship, I developed content on several contemporary topics.

SKILLS

C++

JAVA

OOPS

SQL

PERSONAL PROJECTS

E-Commerce App for Electronic Components & Robotics Store (07/2021 - 2022)

- The online E-Commerce App will provide you to buy all types of electronics components and Robotics parts.
- Using this application, the customers need not go to the electronics store by themselves, but they can order all the electronics equipment through Android mobiles anywhere.
