- Pre university – BGS pu college with over all aggregate of 66.5% ,
Sidlaghatta, Chikkaballapur.
- School – Government high school with 90.73% , Anemadagu, Sidlaghatta, Chikkaballapur.

Project designing:

I say it one simple line "give and take", means give the employment and take out that unemployment.

How is it possible ?

"Unemployment" that means did you imagine without employee.

The life of the project:

Company > employees > family > worker > company <> Companies.

Company + Unemployees + project = Employees + Companies.

Skills
